Kick-A-Thon TEN 2016

Each team is challenged to play TEN small sided games in 1 HOUR

Dunboyne Soccer Players and Families:

On Saturday May 7th 2016 we are running our fun Kick-A-Thon for players aged between 6-14

We challenge every team to play TEN small sided games in 1 hour. We welcome any parents Dad's or Mam's if free to dust down their old Jersey & Shorts to participate in these games also. This will make it an even more fun for all and to give your kids a chance to perform their silky skills on you or in most cases bragging rights for them. (Matches to be played on our Astro Pitch)

We know this Kickathon will be great fun event. I am writing you this note to stress to you the importance of the Kick-A-Thon to our club. The money that we can raise through the **Kickathon** allows Dunboyne AFC assist with keeping teams registrations as low as possible.

It costs over €100,000 each year to run our club, we have a yearly shortfall after subscriptions of over €30,000 which is no mean feat to raise in these times. Like many other Sports clubs in our village, fund raising is an important part for us to continue to keep your son or daughter playing the game they love. This is achieved through voluntary fund raising events we hope the young players of our club can help.

Please find attached your son/daughters sponsorship card. We hope each boy or girl can get some type of sponsorship for this event from €1.00 - €10.00 per line for their efforts in achieving to play 10 matches in just 1 hour.

If players can ask their family members/ friends (Aunts, Uncles, Brothers, Sisters, Granny's, Grandads, Neighbours etc for a small contribution for your fun challenge would be fantastic.

The Format is simple – each age group & (Parent where possible) will meet for 1 hour on this day (time to advise), we will mix up all the players into teams of 4/5 and play 10 Matches in 1 hour and have plenty of fun along the way. I look forward to meeting you on the day and thank you in advance for your support.

Regards,

Wally Moran
